PROFESSIONAL SUMMARY

Dedicated and skilled Front-End Developer, Hamza Tariq, blends a passion for clean, responsive design with a mastery of HTML, CSS, Tailwind, JavaScript, TypeScript, React JS, Next JS, Redux and API Integration. With a certificate from **Brackets Private Limited** and **Tecno Sphere Software House**, I bring a solid foundation in web development and a commitment to delivering visually stunning and user-friendly interfaces. Continuously evolving to stay abreast of emerging technologies, I am poised to drive innovation and exceed expectations in the ever-evolving front-end development landscape.

WORK EXPERIENCE

Brackets Private Limited
Front-End Developer

OCT 2024 - DEC 2024

During my internship, I developed responsive web applications using React JS, TypeScript, and Tailwind CSS. I designed scalable front-end components, optimized UI/UX, and improved application performance. Collaborating with cross-functional teams, I contributed to delivering high-quality web solutions while enhancing my technical and problem-solving skills.

Tecno Sphere
Front-End Developer

2023 - 2024

Completed an intensive front-end course at Tecno Sphere Software House, gaining expertise in HTML, CSS, Bootstrap, and JavaScript. Acquired advanced techniques and best practices, building a strong foundation to excel in modern web development.

EDUCATION

Punjab Group of Colleges, GRW
Intermediate of Computer Science
Marks: 807 / 1100

2021-2023

Virtual University of Pakistan
Bachelor of Computer Science
GPA: 3.7 / 4.0

2023 - Present
